Our Story

Robert Bender & Associates was formed in California, in 1972, to provide investment management services for high net worth individuals and small institutions.

The firm specializes in the management of equity and balanced asset portfolios for capital appreciation in the domestic and international markets. The firm is registered with the Securities and Exchange Commission under the Investment Advisors Act of 1940. In addition, Robert Bender & Associates is a member of the Investment Counselors Association of America (ICAA), a professional association.

# JOB GARCIA

Graphic Designer & Web Developer

I'm a dedicated and creative graphic designer and developer with over 15 years of professional experience in various areas such as: *graphic design, ebooks, web design, print, illustration, branding, photo retouching and package design*. Intrinsicalliy motivated with team-player mentality and accustomed to working in highly collaborative environments. Ability to manage and deliver multiple projects in a fast-paced environment. During my free time I enjoy photography and spending time with my family.

*Thank you for looking at my portfolio.*
